## Digital Artist

---

I am an award winning filmmaker and digital artist that works across a variety of mediums. Skilled in both CGI and live action filmmaking, I am always exploring innovative technologies to push my storytelling beyond boundaries. I always strive to make the highest quality images and love to find adaptive solutions to complex problems. I am happiest when working within a team to overcome creative challenges.

## Experience

---

**Rashaad Newsome** | VFX Artist / Designer | January 2021 - Ongoing

- VFX for live action dance film - Camera tracking/Modeling/Rendering/Compositing
